Planter System

Planter Systems

Manufactured from 8mm powder coated steel rods, and with matt black planter pots, this fixture is not only functional, but aesthetically pleasing. Suited for real plants with fully sealed pots. Our planters are the perfect backdrop to your reception area or dividing different zones throughout your workspace. Bring the outdoors inside with this stylish and innovative option. Tell us your size requirements, and we can manufacture to suit your space.

Finish

Powder coated steel,
Black, White.
