

Shield

Freestanding Screen

Shield - Light and breezy, space defining acoustic screens.

Manufactured from 24mm E-Panel, with a 0.70NRC sound absorption rating, minimizing noise and distraction the workspace, while maintaining a sense of light and openness. This fixture not only quietyens your space but adds serenity and beauty. The shield screens are practical and easy to use, simply pull out and fold around a desk or section off a meeting room as needed then stow away when open space is what you require.
