

Side Screen

Slide on side screen

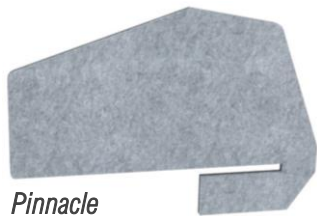

The Profile E-Panel slide on side screen is a quick and easy to use option for a privacy screen and can be used as a pinboard and sound absorber all rolled into one. Manufactured from laminated 24mm E-Panel, with a 0.7NRC sound absorption rating. Minimise office noise, while providing a private individual work environment. Choose from a combination of 12 colors, either the same or different each side.

Plateau
