## Steel Caddy's & Mobiles

### Caddy's & Mobiles

Perfect for storing stationery and files, these caddy's and mobiles set the standard for strength, practicality and style. Keep your desk tidy and your valuables safe, while colour matching to your desk. Combine your storage into one unit, from folders, to stationery, to drop files and valuables. These units can double as an extra return work surface and are often used in conjunction with rectilinear pod layouts.
